

Mountain Christian School

Another School year is upon us, and we are very excited for what God has in store for us this year! This year we have a few new teachers gracing our halls, so we thought you might like to meet them (if you weren't able to attend the school kick-off).

Mr. Hokanson is our grade 6/7 teacher, and comes to us from Grande Prairie. We are very excited to have him with us! Another new addition to our staff we are excited about is Ms. Clayton. She comes to us all the way from Mississauga, Ontario! She is teaching grade nine math and English, as well as high school Art. We would also like to welcome our newest support staff, Mrs Baker and Mrs Stewart! In addition, we are pleased to announce that Mr McGuire is our new Vice Principal.

You will notice some changes around the sides of the school. We are installing gates to limit vehicle access to the back of the school, as part of our commitment to student safety. Only authorized vehicles will be allowed to drive around to the back of the school.

Concession is back! We will be offering healthy food choices in our concession this year to promote healthy living and student learning. In addition, we are unable to accept last minute lunch forms like we did last year, so please ensure that your lunch order forms are in by the date specified on the form.

Students are not allowed to bring pop, chips or other junk food to school, and we will **not** be selling any high glucose or high salt foods & drinks in concession this year. We will have purified water, milk, chocolate milk and healthy snack options for sale that students can choose from. We encourage parents to pack healthy lunches for their school-aged children as well. This can include items such as fruit and vegetables, unsalted crackers, as well as a sandwich. Leftovers can also make a great lunch for many students, as we provide all students with microwave access. Also, please remember that MCS is a peanut-free school.

For students interested in student council with Miss Razzo, class-rep nominations are in October.

This year's council is:

Sarah Hutchinson - President
Adaeze Obeta - Vice President
Liette Moffat - Secretary

We would like to take an opportunity to thank Mr. Klassen for his hard work and dedication over the summer! Mr. K painted all of the change rooms, and he painted the chapel from ceiling to floor, on top of helping to direct the set-up of the new speaker system. We love you, Mr. K!

Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth. 2 Timothy 2:15
